## Subject Index, Volume 35 (1980)

- Abortion, anaesthetic techniques (Moore), 933 (ab)  
Accident, cannulation of radial artery in acromegaly (Campkin), 1008  
    disconnection of anaesthetic breathing systems (Knell), 825 (c); (Pogulanik), 826 (c)  
    on electrical safety (Ward), 291 (c); (Hull), 921 (c)  
    tourniquet release after intravenous regional bupivacaine (Aronson & Natashsky), 1208  
Acromegaly, cannulation of radial artery in (Campkin), 1008  
Aerosol bronchodilator administration in ventilator circuits (Kinnell & Johnson), 398 (c)  
Age, effect on potency of intravenous induction agents (Allt-Graham & Pegg), 120 (ab)  
    effect on recovery times from pancuronium (Marsh, Chmielewski & Goat), 1193  
Agglutinins *see* Cold  
Air embolism in hip surgery (Michel), 858  
    venous (Stoddart), 79 (c)  
Alcohol abuse, anaesthesia and intensive care: review (Edwards & Mosher), 474  
    effect on pulmonary embolic syndrome (Alexander & Barron), 506  
    in anaesthesia and surgical resuscitation (Whitby), 502  
Alfentanil, clinical experience (Kay & Stephenson), 1197  
    clinical studies (Kay & Pleuvry), 952  
Allergy reaction to Haemaccel (Lund), 655  
Alphaxalone infusion during cardiopulmonary bypass (Coniam), 576  
Althesin anaesthesia recovery assessment by audiovisual reaction time test (Grant, Smith & Shirley), 869  
    convulsions after (Sear), 719 (c); (Weber), 720 (c)  
    delayed adverse response to (Beamish & Brown), 279; 1019 (c)  
    reactions in dogs (Denton, DuToit & Reece-Smith), 615 (c)  
Amiphenazole, antagonist of morphine-induced respiratory depression (Gairola, Gupta & Pandley), 17  
Anaesthesia, career choice by undergraduates in developing country (Akinymi & Soyannwo), 712  
    general, recurring delayed adverse response to (Beamish & Brown), 1019 (c)  
    in China (Lett), 1218 (c)  
    in Hong Kong, history and present position (Lett), 993  
    in December: editorial (Boulton), 1147  
    induction, intravenous, new sensation in (Durstun & Aps), 1021 (c)  
    technological developments (Lenihan), 113 (ab)  
    total intravenous, technique, (Barclay, Houlton & Downing), 287  
Anaesthetic departments, provision of (Burn), 112 (ab)  
    literature, 225, 320, 436, 536, 628, 755, 834, 936, 1044, 1138  
    practice in the 80's (Strunin), 114 (ab)  
    waste gases, removal (Collis & Bethune), 73 (c); (Houghton), 74 (c); (Enderby & Churchill-Davidson), 74 (c)  
Anaesthetist(s), consultant vacancies: editorial (Howat), 1051  
    diagnostic skills (Scott), 581  
    fellowship in Japan (Nunn), 390 (c)  
    occupational exposure to anaesthetics (Davenport, Halsey, Wardley-Smith & Bateman), 354  
    peer review (Lewis), 112 (ab)  
    personality characteristics (Reeve), 559  
    registrars' prizes: editorial (Dundee), 639  
    required in Uganda (Carswell), 391 (c)  
    retirement, attitudes in Yorkshire (Smith), 790  
    selection: editorial (Vickers), 545  
    senior registrar rotation survey (Barham & Thompson), 607; 1215 (c); (O'Higgins) 1215 (c); (Cooper), 1215 (c)  
    staffing in England and Wales (Rees), 1072  
Analgesia, local, landmarks (Birkinshaw), 223 (c)  
Anaphylactic reactions, treatment (Chow), 77 (c); (Larard), 1011 (c)  
Aorta coarctation (McLellan), 520 (c)  
    peri-operative management of sick infants with (Chatrath, Fiddler & Walker), 118 (ab)  
Appointments, 133, 428, 738, 1036  
Association of Anaesthetists of Great Britain & Ireland, 104, 411, 729, 1029  
    Annual general meeting, 1979, 104  
    Annual report of Council, 1978-1979, 526  
    Annual scientific meeting, 1979, 111

Anaesthesia for removal of carcinoid metastases. A case of serotonin-secreting secondary tumour in the lumbar spine <i>W. A. L. Rawlinson, R. H. K. Marsh and V. A. Goat</i>	585
Carcinoid syndrome in a diabetic patient <i>Freda W. Fleming</i>	589
Systemic side-effects of extradural steroids <i>C. L. Knight and J. C. Burnell</i>	593

# APPARATUS

Tracheostomy tube connections for infant patients <i>J. S. Inkster, R. J. Bray and L. Maybee</i>	595
A modification of the Laerdal anaesthesia mask for nasotracheal intubation with the fiberoptic laryngoscope <i>C. Mallios</i>	599

# COMMUNICATION

Applying for an appointment in anaesthesia <i>J. S. M. Zorab</i>	601
---	-----

# FORUM

Senior Registrar rotations. A survey of rotational arrangements <i>C. Barham and M. A. Thompson</i>	607
Respiratory effects of Minaxolone <i>V. G. Puchihewa, J. G. Whitwam, M. Morgan and Jean Lumley</i>	611

# CORRESPONDENCE

Awareness during anaesthesia 614; Closed system anaesthesia 614; Hypotension following methoclopramide injection 615; Reactions to Althesin in dogs 615	
---	--

# NUMBER 7, JULY 1980

## EDITORIAL

Registrars' prizes  
*J. W. Dundee*

639

## ORIGINAL ARTICLES

Mixing of antacids with stomach contents. Another approach to the prevention of the acid aspiration (Mendelson's syndrome)

*J. D. Holdsworth, K. Johnson, G. Mascal, R. Gwynne Roulston and P. A. Tomlinson*

641

Plasma cholinesterase changes during pregnancy. Their interpretation as a cause of suxamethonium-induced apnoea

*R. T. Evans and J. M. Wroe*

651

Anaphylactoid reaction to infusion of polygelatin (Haemaccel). A study in pregnant women

*N. Lund*

655

Vessel puncture with epidural catheters. Experience in obstetric patients

*A. J. W. Verniquet*

660

Postoperative pain prevention by continuous epidural infusion. A study of the clinical effects and the plasma concentrations obtained

*R. A. Ross, J. E. Clarke and E. N. Armitage*

663

Low dose intravenous infusion technique with ketamine. Amnesic analgesic and sedative effects in human volunteers

*S. K. Pandit, S. P. Kothary and S. M. Kumar*

669

## SPECIAL ARTICLE

Piped medical gas and vacuum systems

*R. S. C. Howell*

676

## CASE REPORT

Anaesthesia in Von Gierke's disease. Current approach to management

*Joan C. Bevan*

699

## APPARATUS

Cross-infection from contaminated anaesthetic equipment. A real hazard?

*H. Nielsen, J. B. Jacobsen, D. B. Stokke, M. M. Brinklov and K. N. Christensen*

703

## FORUM

Epidural analgesia and cardiac output in severe pre-eclampsia

*C. Graham and A. Goldstein*

709

The choice of anaesthesia as a career by undergraduates in a developing country

*O. O. Akinoyemi and A. O. Soyannwo*

712

## CORRESPONDENCE

Music in hospitals 716; Pollution of operating theatres, flammable agents and other matters 716; Wear in plastic exhaust valves 717; Fibreoptic laryngoscopy for difficult intubation 719; Convulsions following Althesin 719; Anaesthesia for carotid body tumour resection 720

## BOOK REVIEWS

721

## QUIZ QUESTIONS

## NUMBER 8, AUGUST 1980

### EDITORIAL

Hyperbaric oxygen <i>R. E. Loder</i>	761
---	-----

### ORIGINAL ARTICLES

Self-administered intravenous and intramuscular pethidine. A controlled trial in labour <i>J. O. Robinson, M. Rosen, J. M. Evans, Susan I. Revill, H. David and G. A. D. Rees</i>	763
Temazepam as a premedicant in minor surgery <i>Kanthie Amarasekera</i>	771
Dysrhythmias during oral surgery. A comparison between halothane and enflurane anaesthesia <i>C. J. Wright</i>	775
Metoprolol in anaesthesia for oral surgery. The effect of pretreatment on incidence of cardiac dysrhythmias <i>M. H. Whitehead, V. B. Whitmarsh and J. N. Horton</i>	779
Intravenous metoprolol and cardiac dysrhythmias. An evaluation in the management of dysrhythmias in outpatient and dental anaesthesia <i>W. N. Rollason and J. G. Russell</i>	783

### SPECIAL ARTICLE

Retirement of anaesthetists. Attitudes in Yorkshire <i>W. D. A. Smith</i>	790
--	-----

### CASE REPORTS

Cardiac arrest during transurethral prostatectomy after absorption of 1.5 glycine. A case report and review of the literature <i>A. J. Charlton</i>	804
--	-----

### APPARATUS

Agent-specific filling devices. An evaluation of two prototypes <i>T. M. O'Carroll, R. Greenbaum and P. G. N. Thornton</i>	807
---	-----

### COMMUNICATION

Nominal group technique. A method of decision-making by committee <i>J. N. Horton</i>	811
--	-----

### FORUM

Assessment of pain using a computer <i>G. R. Gerson and J. N. Gerson</i>	815
Transcutaneous electrical nerve stimulation for chronic pain <i>J. A. V. Bates and P. W. Nathan</i>	817
Emotional reactions during lumbar extradural anaesthesia <i>Y. Donchin and A. Katz</i>	822

# CORRESPONDENCE

Association of Medical Emergency Technicians 825; Accidental disconnection of anaesthetic breathing systems 825; Mortality for open-heart surgery 827; Enflurane today 827

## NUMBER 9, SEPTEMBER 1980

### EDITORIAL

A time for peace <i>P. J. Cohen</i>	845
--	-----

### ORIGINAL ARTICLES

Anaesthesia for transurethral prostatectomy. A comparison of spinal intradural analgesia with two methods of general anaesthesia <i>S. W. McGowan and G. F. N. Smith</i>	847
Deflection of spinal needles by the bevel <i>G. B. Drummond and D. H. T. Scott</i>	854
Air embolism in hip surgery <i>Rosalind Michel</i>	858
Metabolic indices of pulmonary damage. Changes in angiotensin converting enzyme and $\alpha_1$ anti-trypsin activity after cardiopulmonary bypass <i>D. J. Claremont and M. A. Branthwaite</i>	863
The audiovisual reaction time test. Use in assessment of recovery from Althesin anaesthesia <i>I. S. Grant, G. Smith and A. W. Shirley</i>	869
Clinical pharmacokinetics of fazadinium <i>D. R. Bevan, J. D'Souza, Jane M. Rouse, J. Caldwell and R. L. Smith</i>	873

### SPECIAL ARTICLE

Anaesthesia and demyelinating disease <i>R. M. Jones and T. E. J. Healy</i>	879
--	-----

### CASE REPORTS

Hyperkalaemia presenting as ventilatory failure <i>G. L. Barker</i>	885
Cold agglutinins. Cause for concern? <i>A. C. Williams</i>	887

### APPARATUS

Applications of respiratory mass spectrometry to intensive care <i>J. W. W. Gothard, C. M. Busst, M. A. Branthwaite, N. J. H. Davies and D. M. Denison</i>	890
---	-----

### HISTORY

Early opposition to obstetric anaesthesia <i>A. D. Farr</i>	896
--	-----

## FORUM

- Administration of drugs during cardiopulmonary bypass. An analysis of the fate of a bolus injected through different routes using radio-active technetium  
*D. S. K. Kamath, D. M. Thomson and B. Johnston* 908

- Reversal of non-depolarising neuromuscular block in children: a comparison of atropine and glycopyrrolate in a mixture with neostigmine  
*G. W. Black, R. K. Mirakhor, S. R. Keilty and S. H. S. Love* 913

- FUTURE OF THE FACULTY OF ANAESTHETISTS OF THE ROYAL COLLEGE OF SURGEONS OF ENGLAND 917

## CORRESPONDENCE

- Anaesthesia and homocystinuria 918; Anaesthetists, mechanical ventilation and the training of surgeons 919; Dehydrobenzperidol as part of a general anaesthetic technique at thirty weeks gestation 919; Forceps delivery—a complication of epidural analgesia 920; On electrical safety 921; Guided blind oral intubation 921; A defective epidural cannula 922; Windows in operating theatres 922; A discontinued endotracheal tube 922

- BOOK REVIEWS 924

- AUDIOVISUAL REVIEWS 928

- QUIZ QUESTIONS 929

- ANNUAL SCIENTIFIC MEETING FOR JUNIOR ANAESTHETISTS 1980 931

- ANAESTHETIC LITERATURE 936

- ANSWERS TO QUIZ QUESTIONS 947

- STOP PRESS 948

## NUMBER 10, OCTOBER 1980

### EDITORIAL

- Children and anaesthesia  
*W. R. Hain* 949

### ORIGINAL ARTICLES

- Human volunteer studies of Alfentanil (R39209), a new short-acting narcotic analgesic  
*B. Kay and B. Pleuvry* 952

- Haemodynamic changes following buprenorphine and morphine  
*D. H. T. Scott, G. R. Arthur and D. B. Scott* 957

- Hypotension and myocardial metabolism. Drug-induced hypotension and the heart: a comparison between halothane and nitroprusside  
*J. H. Chamberlain, P. C. Swan and J. R. Wedley* 962

- Cardiovascular responses to anaesthesia. Influence of beta-adrenoceptor blockade with metoprolol  
*A. J. Coleman and C. Jordon* 972

- Ventilatory support for children with whooping cough. Experience with children admitted to a paediatric intensive care unit  
*Margo Lewis and G. H. Bush* 979

### CASE REPORTS

- Signs of endotracheal intubation  
*T. H. Howells and R. J. Riethmuller* 984

- Malignant hyperthermia in a patient with an ankylosed jaw  
*Susan E. F. Jones and C. H. Thomas* 987

# APPARATUS

- Central venous pressure measurement. A device for continuously indicating zero  
*P. J. W. Knell* 991

# FORUM

- Anaesthesia in Hong Kong. Its history and present position  
*Z. Lett* 993
- Computer-assisted self-assessment in anaesthesia: a preliminary study  
*D. Campbell, G. N. C. Kenny, Carol Schmulian and P. D. Davis* 998
- Continuous infusion of fentanyl for postoperative analgesia  
*P. W. Bailey and B. E. Smith* 1002
- Migraine and surgery. Avoiding trigger mechanisms  
*R. H. Fell* 1006
- Radial artery cannulation. Potential hazard in patients with acromegaly  
*T. V. Campkin* 1008

# CORRESPONDENCE

Rate pressure product 1010; Treatment of anaphylactic reactions 1011; Dantrolene and suxamethonium 1012; Jehovah's Witnesses and haemorrhage 1013; Anaesthesia and fractured neck of femur 1014; Local analgesia for circumcision in children 1015; Monitoring and cockpit drill 1015; Oxygen therapy by prescription only? 1017; Transcutaneous nerve stimulation in post-thoracotomy 1018; Colloid osmotic pressure 1018; Microlaryngeal surgery with the carbon dioxide laser: is the Carden tube really necessary? 1019; Recurring delayed adverse responses to general anaesthesia 1019; 'Rhizolysis' 1020; The Shy-Dräger syndrome 1020; A pupil gauge 1021; A new anaesthetic sensation 1021

# BOOK REVIEWS 1022

# QUIZ QUESTIONS 1049

# SPECIAL COMMUNICATION

- Part-time training for doctors with domestic commitments (DDC) 1027

# SIXTH EUROPEAN CONGRESS OF ANAESTHESIOLOGY 1028

# NEWS AND NOTICES

Obituaries 1029; Association News and Notices 1029; Junior Anaesthetist's Group 1034; Faculty of Anaesthetists of the RCSE 1034; Faculty of Anaesthetists of the RCSI 1035; Anaesthetic Section of the RSM 1035; Recent Appointments 1036; Home news and notices 1036; National and local events 1038; International News 1040; International Congress Calendar 1041

## NUMBER 11, NOVEMBER 1980

# EDITORIAL

- Consultant vacancies  
*D. D. C. Howat* 1051

# ORIGINAL ARTICLES

- Pulmonary blood flow and tissue volume. Assessment of a non-invasive technique of measurement  
*J. C. Salt, J. W. W. Gothard and M. A. Branthwaite* 1054
- Contamination of internal jugular lines. Incidence in patients undergoing open-heart surgery  
*J. C. Opie* 1060

Calcium and cardiac arrest <i>J. Bull and D. M. Band</i>	1066
Glycopyrrolate in children. A comparison between the effects of glycopyrrolate and atropine administered before induction of anaesthesia <i>D. M. Lavis, J. N. Lunn and M. Rosen</i>	1068
SPECIAL ARTICLE	
Anaesthetic staffing in England and Wales <i>L. T. Rees</i>	1072
CASE REPORTS	
Atropine—a safe drug <i>G. J. Arthurs and R. Davies</i>	1077
Respiratory depression after intrathecal narcotics <i>G. K. Davies, C. L. Tolhurst-Cleaver and T. L. James</i>	1080
Hypoglycaemic coma following epidural analgesia <i>E. Romano and A. Gullo</i>	1084
APPARATUS	
Low frequency ventilation. The Bain breathing circuit with the Automatic-vent and the Minivent <i>W. E. Spoerel</i>	1087
The Cape Bristol ventilator. Spontaneous respiration: the Bromsgrove conversion <i>P. V. Scott</i>	1094
Errors in oxygen concentration analysis: sensitivity of the IMI analyser to nitrous oxide <i>C. H. Orchard and M. K. Sykes</i>	1100
FORUM	
Sedation for ventilation. A retrospective study of fifty patients <i>C. M. H. Miller-Jones and J. H. Williams</i>	1104
Anaesthesia for surgical correction of fractured femoral neck. A comparison of three techniques <i>W. C. White and W. A. Chappell</i>	1107
CORRESPONDENCE	
Anaesthetic and postural management of patients undergoing excision of lumbar intervertebral discs 1111; Pollution of operating theatres 1113; Closed circuit anaesthesia 1114; Infusion rates from different containers 1115; Another 'immobile needle' 1116; Benign hyperpyrexia? 1117; Erection during anaesthesia controlled by ketamine 1117; Safety clip for Tunstall paediatric connexions 1118	
BOOK REVIEWS	1120

STOP PRESS	1146
NUMBER 12, DECEMBER 1980	
EDITORIAL	
Anaesthesia in December <i>T. B. Boulton</i>	1147

# ORIGINAL ARTICLES

- Corrective cardiac surgery in infants. A review of 136 patients including the contribution of postoperative ventilation  
*J. M. Manners, J. L. Monro and J. C. Edwards* 1149
- Dental treatment in young handicapped patients. An assessment of relative analgesia as an alternative to general anaesthesia  
*Margaret L. M. Manford and G. J. Roberts* 1157
- Exposure of nitrous oxide to X-rays. Production of nitric oxide and nitrogen dioxide  
*H. Yanagida and M. Nakajima* 1169
- Maternal opinion about analgesia for labour. A controlled trial between epidural block and intramuscular pethidine combined with inhalation  
*J. O. Robinson, M. Rosen, J. M. Evans, Susan I. Revill, H. David and G. A. D. Rees* 1173
- ICI 35868 (Diprivan): a new intravenous anaesthetic. A comparison with Althesin  
*B. Kay and D. K. Stephenson* 1182
- ICI 35868 (Diprivan): a new intravenous induction agent. A comparison with methohexitone  
*D. V. Rutter, M. Morgan, Jean Lumley and Ruth Owen* 1188
- Recovery from pancuronium. A comparison between old and young patients  
*R. H. K. Marsh, A. T. Chmielewski and Valerie A. Goat* 1193
- Alfentanil (R 39209): Initial clinical experience with a new narcotic analgesic  
*B. Kay and D. K. Stephenson* 1197

# CASE REPORTS

- A prolonged neuromuscular blockade following trimetaphan infusion. A case report and *in vitro* study of cholinesterase inhibition  
*Kumi Nakamura, Msaharu Koide, Teruaki Imanaga, Hiroko Ogasawara, Makiko Takahashi and Masato Yoshikawa* 1202
- Inadvertent tourniquet release 5 minutes after intravenous regional bupivacaine  
*H. Ben Aronson and Elik Vatashsky* 1208

# APPARATUS

- The Norfolk and Norwich infusion box  
*R. B. Chapman and P. Keep* 1211

# CORRESPONDENCE
